### **Building the Community One Family at a Time**

In an effort to impact the greater community at large, CBC has adopted a new theme "Building the Community One Family at a Time!"

With Acts 16:31 as the backdrop for this focus, it is our belief that real transformation occurs when families are impacted directly. Families are the foundation of communities. If we strengthen the family, we strengthen the community.

Consequently, ministries are intentional about developing ministry opportunities that touch the family in some way. All are invited to join us in this tremendous outreach effort.
